TO CUSTOMERS OF DE KLOK LOGISTICS

Nijmegen, 12 maart 2020

Dear Customer,

Due to the recent developments regarding the coronavirus, the management of De Klok Logistics has decided that our driver will deliver your shipment to the “front door” at the unloading address. This measure is effective from Monday 16 March 2020.

Additional work, such as stacking your goods at the unloading address or delivering them to a certain department in the building, will no longer be carried out by our driver.

In order to avoid any misunderstandings at the delivery address, we ask you to communicate this measure with your customers.

We do this as a precaution for your customers, employees and our drivers to prevent the spread of the coronavirus.

If you have any further questions, please email your regular Customer Service contacts or Mrs. Pieta Bekers (email address: PietaBekers@dkl.nl).

Thank you for your understanding.

The management
